

FRENCH CONTINUE TO ADVANCE ON VERDUN

ARE PRESSING AS RAPIDLY AS
POSSIBLE ADVANTAGE
GAINED.

FORT VAUX NEAR CAPTURE

French Within 500 Yards of That
Stronghold—Make Many
Captures.

(Associated Press)
Paris, Oct. 26.—The French on the
Macedonian front occupied two vil-
lages southwest of Lake Dorian yester-
day, the war office states. The
Serbs have thrown back the Germans
and Bulgarians in the region of Cer-
nia river.

French Near Ft. Vaux.
French troops in the Verdun sec-
tor are following up rapidly the ad-
vantage gained by the sudden for-
ward sweep Tuesday and according
to late reports have closed to within
500 yards of Ft. Vaux, whose capture
is momentarily expected, thus restor-
ing the French line as it washed on
Feb. 25, and with considerable mat-
erial captured.

The Germans had massed guns of
all calibres in the Ravine of Death,
and all fell into French hands. Three
Lieutenant Generals under command
of Gen. Mangin led the attacking di-
visions. All were Lieutenant Colo-
nels at the outbreak of the war and
were singled out by Gen. Joffre for
promotion because of their ability,
energy and initiative.

Berlin Gives Ship Losses.
Berlin, Oct. 26.—It is officially re-
ported that "during September 141
hostile merchantmen, with aggregate
tonnage of 182,000 tons, were sunk
or brought in by submarines of the
central powers, or were destroyed by
mines. Thirteen captains were cap-
tured and three cannon of armed
steamers were taken. In addition 33
neutral merchant ships with aggre-
gate of 72,000 tons were sunk for car-
rying contraband."

British Ship Lost.
London, Oct. 26.—Officially it is an-
nounced that British mine sweeper
Genista has been torpedoed and sunk.
All officers and 73 members of the
crew were lost. There are 12 survivors.

Teutons Driven Back.
Bucharest, Oct. 26.—Today's offi-
cial announcement says: "Rouman-
ians have captured Mt. Kekekharas
on the Transylvanian front. Austro-
German forces have been driven else-
where beyond the western frontier of
Moldavia. Their losses were heavy."

Paris, Oct. 26.—The French made
further progress northeast of Verdun
despite the utmost efforts of the Ger-
man crown prince to halt General Ni-
velle's surprise offensive.
Within twelve hours the Teutons
launched five tremendous counter at-
tacks, their principal efforts being di-
rected against Douaumont, Haudrom-
ent and the Damloup battery. All of
the attacks broke down before the
French artillery and machine guns.

French Take 4,500 Prisoners.
At night the number of prisoners
taken by the French had been in-
creased to 4,500.
Great German reinforcements hur-
ried in solid trainloads from the Som-
me not only failed to win back the
ground lost north of Verdun, but has
definitely ended the proposed coun-
ter offensive in Picardy, it is believed
here.

Details are now beginning to reach
Paris of Nivelle's tremendous stroke.
Four French divisions, 80,000 men,
were concentrated on the east bank of
the Meuse for the blow, it is stated.
The Germans were taken so comple-
tely by surprise that their lines might
have been tissue. The French in a
few hours won back what it had cost
the Crown Prince more than three
months and thousands of lives to gain.
In Douaumont fort the German com-
mander was taken prisoner. He was
found in a dugout. In all more than
150 officers have been captured by the
French.

French in New Gains.
The French attacks Wednesday
were delivered on the right wing of
the front east of the Meuse. They re-
sulted in considerable progress in the
Fumin and Chenois regions.

Before the French had time to con-
solidate their redeemed positions, the
Germans delivered their first counter
attack. The hot fire poured into their
ranks broke it up, a second attack,
launched at night similarly failed.

In the morning, reinforced by di-
visions from other sectors and from the
Somme, the Crown Prince struck
again in a series of terrific lunges.
Three times the Germans drove for-
ward only to fail.

The night's news shows that all

definitely Suspends Order.

Chicago, Oct. 26.—The rate of fare

linois on the way to St. Louis will re-
main 2 cents for the present.
The state public utilities com-

ago that the rate between Chicago
and points in Illinois should be raised

REV. THEO. DREXEL RESIGNED CHARGE

PASTOR OF DIXON GERMAN
LUTHERAN CHURCH TO GO
TO IOWA

FAREWELL SERMON NEXT SUNDAY

Rev. Theodore Drexel, who has
been pastor of the German Lutheran
church of this city since 1907, has
resigned his pastorate to accept a
larger charge in Iowa, and will
preach his farewell sermon here
next Sunday. His resignation has
been regretfully accepted by the of-
ficials of the church.

During his pastorate in Dixon
the church has prospered and has
enjoyed a quiet growth, many im-
provements having been made in the
church property; while the relations
between pastor and flock have al-
ways been most friendly. It is with
deep appreciation of the kindnesses
of its people that Rev. Drexel ex-
presses his regret at severing the re-
lations which have been so pleasant.
In addition to having charge of the
Dixon church, until 1911, Rev. Drexel
preached at Amboy, and from that
date until the present he has al-
so supplied the Franklin Grove pul-
pit.

FRIDAY TO BE BIG DAY FOR SCHOOLS

PAGEANT BEFORE FOOTBALL
CONTEST WILL BE
UNIQUE.

DIXON WILL MEET OLD FOES

Gridiron Contest Between Local and
Sterling Highs At Ath-
letic Park.

The greatest demonstration of
school spirit in the history of Dixon
will be witnessed tomorrow after-
noon when the students of all the lo-
cal schools will unite in a pageant be-
fore the Dixon vs. Sterling football
game, and it is expected this demon-
stration will instill a spirit of confi-
dence in the gridiron heroes which
will make them invincible before the
Sterling team.

Never before have such elaborate
preparations been made for a football
game here, and never have the stu-
dents of the school taken such an in-
terest in any school function as they
are in the pageant. Each class of the
high school has planned some special
feature for the pageant, which will
be headed by the Chamber of Com-
merce band, and hundreds of stu-
dents will vie in their efforts to boost
the football team, by taking part in
the big parade. The parade will
march through the principal business
streets and to the old Athletic park,
where the game will be played at 3
o'clock. Sterling's "goat" will be a
feature of the parade.

Practically all the stores in the
city will close from 3 to 5 o'clock in
order that their employees may attend
the game and show the hundreds of
teachers who will be in the city at-
tending the institute that Dixon peo-
ple are proud of their schools and
are always ready to do their part in
maintaining school interest. The day
is going to be a big one for boosting
athletics in the Dixon institutions of
learning.

REPUBLICANS HELD RALLY IN PALMYRA

ROUSING MEETING WAS HELD
AT TOWN HALL IN GAP
GROVE.

SEVERAL VERY GOOD ADDRESSES

A good sized crowd greeted the re-
publican candidates and orators in
the town hall at Gap Grove in Palmyra
last evening. Republican Commit-
teeman Williams from Palmyra called
the meeting to order and County
Chairman Harry Warner presided.
Mr. Warner, John H. Byers, States
Attorney Harry Edwards and Circuit
Clerk Ed. Rosecrans addressed the
crowd of interested men and women.

A quartet composed of B. F. Down-
ing, Barry Lennon, Elmer Rive and
Harry Roe sang Illinois and McCut-
cheon's parody on The Battle Cry of
Freedom, telling how "He kept us
out of war, boys, he kept us out of
war, shouting the cry of watchful
waiting." The singers were enthusias-
tically applauded.

Urged Women to Vote.

Chairman Warner, in his brief
talk, urgently reminded the women
that their vote and help is very im-
portant and is needed to elect Mr.
Hughes. He told them the coming
four years would see the most criti-
cal times in the history of this repub-
lic and that the United States need a
high protective tariff to protect Am-
erican industry and American labor
from competition with cheap labor.

Mr. Warner asked how Mr. Wilson
kept us out of war and who wanted
to have war with us. He said Ameri-
cans are paying a war tax to provide
revenue to run the government the
democratic tariff for revenue only
has failed to produce, and that Can-
ada, which is in war, is paying no war
tax.

Byers Talks.

John H. Byers appealed to the men
and women of Palmyra to stand up
and fight for the principles of the
Grand Old Party, as did their hono-
red forefathers, the founders of Pal-
myra township.

Said Mr. Byers: "Mr. Wilson is a
splendid man in some ways. He is a
beautiful writer and talker. He
makes a wonderful speech. It thrills
you to hear him deliver an address.
But you've heard book agents talk."
Mr. Byers said that while Mr. Wil-
son claims he kept us out of war,
there have been more sailors, soldiers
and American citizens killed during
Mr. Wilson's trouble with the Mexi-
cans than there were in all the bat-
tles of the Spanish-American war.

Mr. Byers made a splendid and in-
spiring address and received a great
ovation at the hands of his audience.
He ended his talk by telling the
Palmyra people that although Mr.
Wilson promised to give the country
an economical and efficient adminis-
tration, he had created jobs for thirty
thousand "deserving democrats."

Edwards Speaks.

Chairman Warner next introduced
States Attorney Harry Edwards, can-
didate for re-election, and said that
Mr. Edwards had filled the office for
eight years with great credit to him-
self and the county, and to the entire
satisfaction of all, and asked for his
re-election.

Mr. Edwards spoke in behalf of
Col. F. O. Lowden, republican candi-
date for governor, all of the state
ticket and the congressional, senatori-
al and county tickets.

Circuit Clerk Rosecrans, who seems
re-election, made a brief talk to the
voters, telling them he would appre-
ciate their support.

BOUGHT FARM.

Fred N. Vaughan of Amboy has
purchased for a consideration of
\$3,500 the R. B. Lewis tract of 40
acres two miles south of Lee Center.

Hughes and Fairbanks pictures
given away at Republican headquar-
ters over Evening Telegraph Office.

TEACHERS' MEETING BEGINS THIS EVE.

PUBLIC IS INVITED TO FIRST BI-
SESSION AT METHODIST
CHURCH.

EXPECT VERY LARGE ATTENDANCE

Local School Officials Anticipate
That Fully 1500 Will Be
Present.

The first session of the annual in-
stitute of the Western Section of the
Northern Illinois Teachers' associa-
tion will be held at the Methodist
church at 7:30 o'clock this evening
and the hundreds of pedagogues who
arrived during the afternoon indicate
that the three-day meeting in this
city will be fully as largely atten-
ded, and as interesting as any in the his-
tory of the association.

Public Invited.

The public is invited to attend this
evening's session, a feature of which
will be the address by Dr. Nathan
Schaeffer, Superintendent of Public
Instruction in Pennsylvania. His sub-
ject will be "Work and Play in Edu-
cation," and the lecture will be of
great interest to parents as well as
teachers. Music will be furnished by
the union high school Glee club and
the North Dixon school orchestra,
both of which organizations are un-
der the direction of Mrs. Marie
Pfelps. Rev. E. C. Lumsden will in-
voke divine blessing on the meetings
and President L. A. Resner of Bel-
videre will deliver the introductory
address.

Sectional Meetings.

It is expected that between 1200
and 1800 teachers will be here when
the sectional meetings commence to-
morrow morning. Rockford and Free-
port teachers have arranged for a
special train to this city. The train
will leave Rockford tomorrow morn-
ing at 7:30 o'clock, arriving here at
9:30. It is expected that nearly 400
pedagogues from those two cities
alone will attend the convention.

NOT ALL GERMANS IN POLITIC

Wisconsin Teutonic Catholics Vote
Down Plan to Enter Campaign.

Milwaukee, Oct. 26.—The attempt
to secure a pro-German endorsement
for Charles E. Hughes at a meeting
of Catholic clergymen and laymen of
Wisconsin, engineered by C. H. Jacob-
son and others failed. A determined
stand was taken against such action
by the Rev. James J. Oberier, New
Colen, Wis., and the following resolu-
tion was adopted:

"Resolved, That inasmuch as this
meeting is composed principally of
Catholic clergymen and Catholic lay-
men, it is the sense of this meeting
that we cannot, and will not, take
any stand in party politics, leaving it
to the individual to think and act for
himself."

bandits near Namiqualpa, 25 miles to

SIX KILLED IN AUTO STRUCK AT CROSSING

Indiana Party Wiped Out Near
South Bend.

South Bend, Ind., Oct. 26.—Three
women, one man and two children
were killed instantly when the auto-
mobile in which they were riding was
struck by an interurban car six miles
north of here.

The dead are Frank Brown and
Mrs. Carl Olsenburg, of Inwood; Mrs.
Florence Elliott and Mrs. Frank Eli-
ott of Kokomo and two children of
Mrs. Frank Elliott.

Brown was driving the car. The
party was returning from Niles, Mich.,
when the accident happened. There is
a sharp turn in the road at the place
where the accident occurred, and the
occupants of the auto evidently did
not see the danger until the interur-
ban car was upon them.

ALLIES UNITE LONG FRONTS

Italian Cavalry Forms Junction With
Entente in Macedonia.

Paris, Oct. 26.—Italian cavalry from
southern Albania have formed a jun-
ction with cavalry and artillery from
the entente forces on the Macedonian
front, the war office announces.
Italian forces occupied the Albanian
seaport of Avlona before Italy enter-
ed the war against Austria. No fur-
ther operations of consequence were un-
dertaken by the Italians for some
time, but in the last few months there
have been occasional reports that re-
inforcements were being sent to Al-
bania and that Italian detachments
were pushing their way eastward.

TWO KNOWN DEAD IN FIRE

Victims Trapped in Factory Buildings
—May Be Other Victims.

New York, Oct. 26.—Trapped on the
fourth floor of a factory building at
21-25 East Houston street by a rag-
ing cauldron of flames in the floors be-
low, two girls were killed and a dozen
persons injured more or less seriously.
Heroic rescues by police and fire-
men alone kept the death list down.
Even now it is feared other bodies
still are in the wrecked building.

McNamara Seeks Parole.

San Francisco, Oct. 26.—Parole for
John J. McNamara, who was involved
in the dynamiting of the Los Angeles

ported here.

T. R. MADE BRIEF REMARKS AT DEPOT

CROWD HEARD FORMER PRESI-
DENT REFER TO "TOO PROUD
TO FIGHT."

WAS HURRYING TO CHICAGO

Will Deliver Two Addresses There—
Big Crowd Was Out at
Sterling.

"I see in the crowd before me
many of those buttons worn by the
veterans of the civil war, as I see
them in crowds all over this country.
If those men had been 'too proud to
fight' we would not have had much of
a country now," said Colonel Theo-
dore Roosevelt to a crowd of about a
thousand people at the Chicago &
Northwestern depot in Dixon this
morning.

Colonel Roosevelt spoke from the
rear of his private car for a brief
space of time while the train was
making its regular stop here. The
necessity of adhering to his schedule
and the fact that it is necessary for
him to save his voice for the two big
meetings he addresses in Chicago to-
day and more meetings in the east,
made it impossible for the former
President to say much to the Dixon
crowd.

THEODORE ROOSEVELT

The Dixon crowd was wild in its
enthusiasm for the Colonel. Republi-
can County Chairman Harry Warner
and others went to Sterling this morn-
ing as a delegation to ask Colonel
Roosevelt to make a brief appear-
ance when the train stopped in Dixon.
The Dixon men returned from Ster-
ling on the Roosevelt car and the
Colonel very graciously acceded to
the request.

Sterling Had Crowd.
Sterling greeted Colonel Roosevelt
with a very large crowd and the Ster-
ling band was at the depot to greet
the former Moose leader who is now
making speeches for Mr. Hughes, the
republican candidate for president.

FELL FROM LOFT; HURT; THEN WELL

How a Man Who Landed On Wood Pile and Was Sore From Head to Foot Found Quick Relief.

Once upon a time Edwin Putnam, who lives in the quiet, pretty hamlet of Wendel Depot, Mass., climbed up into a loft to get some building material, just as many another man living in the country must often do. Suddenly he slipped and fell. Ten feet he lay was a pile of wood, knotted and gnarled. It was a nasty tumble and Mr. Putnam was injured painfully in the back, he was covered with bruises and was sore from head to foot.

The next day he bought a bottle of Sloan's Liniment which had been recommended to him. Within a very few hours the soreness had vanished and the lameness had disappeared. He was an active man once more.

Sloan's Liniment can be obtained at all drug stores, 25c, 50c and \$1.00.

evening was the recounting of experiences members of the Sunday School had in earning money for

the piano they recently purchased for the church. Rev. D. N. Scott, the pastor, sold a pair of shoes. Mr. Rankin earned his money by self denial. He dropped money in a small bank whenever he craved a dish of ice cream until he secured a dollar for the fund. Mrs. D. W. Taylor entertained delegates for the Sunday School convention. Elizabeth Graham helped her mother for 25 cents a week and didn't spend a cent of it until she had her dollar earned. Miss Warden earned her money by tutoring a student in German. The fund continues to grow.

RESPECTFULLY YOURS

Don't Spend Your Strength in Saving the price of a HOOSIER

Women so often feel that it is economy to do without labor-saving equipment that they try to save the small price of a Hoosier. When a few dollars thus invested will systematize kitchen work so that it can be done easily and in half the time.

Space for 400 Articles Within Arm's Reach A Centralized Store

The picture above shows how the scientific arrangement of the Hoosier makes it a real helper. Storage space for 400 articles above and below. There is plenty of unhampered room above and around the aluminum (or porcelain) work table.

There are no useless little partitions to chop up the space and leave no room for work. Your cabinet must have big table space to work on. The Hoosier gives it.

Come and see these six exclusive Hoosier features:

1. The all-metal glass front flour bin.
2. The gear-driven shaker flour sifter which makes flour light and fluffy.
3. Scientific arrangement—articles needed most frequently easiest reached.
4. Revolving castor (shown in center of illustration.)
5. The ingenious, big-capacity sugar bin—holds more than twice as much as other bins.
6. Finally, doors with a handy rack for small utensils, or rolling doors.

Prices and Terms

There are over 1,000,000 Hoosier Cabinets in use. Enormous factory output makes our low prices possible.

Have the Hoosier delivered at once by paying only \$1. You may make payments at the rate of \$1.00 per week, without extra cost or interest.

Delightful to Work At the Hoosier

You will find it delightful to sit down at the Hoosier and do your cooking comfortably. It will help you get good meals quickly. It will help you tidy up in just a few moments after meals.

The Hoosier saves countless trips to the cellar, to the sink, pantry and cupboard, and regardless of the size or space of your kitchen you will find a Hoosier model that fits it, at the price you can easily afford.

Have a demonstration. At least come and see the Hoosier and its exclusive work-saving features. No obligation incurred if you don't want to buy now. But at least learn why over a million women can't do without a Hoosier.

MR. WILSON AS PRESIDENT

The Chicago Daily News: When the question of national leadership came before the country four years ago the Daily News strongly advised the democratic party to make Woodrow Wilson its candidate for president. The arguments persistently advanced by this newspaper on his behalf are known to have contributed in no inconsiderable degree to Mr. Wilson's nomination by the Baltimore convention. In the succeeding campaign the Daily News heartily supported Mr. Wilson's candidacy. Many of his actions as president have received its full approval. However, certain characteristics of this remarkable chief executive of the nation, characteristics clearly revealed by his official course, have led him into actions that appear to the Daily News to be subversive of popular government and even of the foundation of public order and safety. Therefore it believes that the interests of the republic require the retirement of Mr. Wilson from the presidency at the end of his term of office.

Mr. Wilson is a scholarly egotist who measures all things by personal standards which are subject to no modifications other than those resulting from his confirmed policy of opportunism. "Do the easiest thing and make a virtue of it," might be the accepted motto of this eminently plausible president. Having no real advisers and no cabinet except in name — this was made clear by the resignation of Secretary Garrison—he has felt free to follow his own inclinations at all times. His inclinations have been right in many instances, and he has accomplished much that should prove of lasting value to the nation. Blessed with a safe party majority in each house of congress throughout the whole period of his administration, and having not an atom of that desirable passion for wise economy which characterized another democratic president, Grover Cleveland, he has found ways of keeping under his hand a ready instrument for the enactment of such measures as he chose to approve and of slaying such measures as were not to his liking. In short, to an extraordinary degree, he has had his way in the legislative affairs.

Material success rewards his administration in large part because the great war which has deluged Europe with blood has deluged the United States with prosperity. The Daily News has approved those actions of the president's that tended to uphold against the ruthlessness of war the rights of neutrals and other noncombatants, though many voices now raised for Mr. Wilson were not so long ago raised in shrieks of alarm, voices that prophesied red ruin as a sure result of the president's display of firmness. In the opinion of the Daily News the president in honor and safety could not have done less than he did in dealing with the submarine and other questions, whereas considerations of honor and safety might well have caused him to do more than he did. Because of unprecedented conditions in the foreign field the president has accomplished no remarkable feat in keeping the nation out of war, though the fact that we are not now at war is the chief boast of his supporters. Yet for more than two years there has been nobody anywhere who could have been persuaded to go to war with us, nearly all the world's fighting men were locked in a deadly struggle amid the trenches of Europe. The administration's Mexican policy, though it has given us two little inglorious wars, interminable muddlement and serious loss of prestige, has reflected the president's wise determination not to yield an inch to the arrogant demands of the annexationists. It has stood upon the nation no luster save that resulting from the rejection of the elemental sin of blind covetousness.

It was in his method of dealing with the strike threat of the railroad brotherhoods that President Wilson most clearly disclosed his policy of government. That perilous policy of following the line of least resistance is shown here in its perfection. Here also is shown the destructiveness of the form of statesmanship which deals with a crisis by postponing the day of settlement and at the same time, by weakening established safeguards, augmenting the elements of danger contained in it. Confronted by the fact that

leaders of certain railroad employees had refused to arbitrate the question of higher wages and had rejected the proffered help of the federal board of mediation and conciliation, President Wilson chose to assume that the question involved was that of the eight hour day, though the eight hour day in reality had nothing to do with it. He chose to assume also, without making any effort to prevent that threatened outcome, that a nationwide strike tying up railroad transportation from coast to coast would result speedily unless he secured by law within a few hours a settlement to the liking of the men who had engineered the order. Instead of saying to these men, "The nation will not be coerced into passing a law increasing your wages without investigation," he hastened to reward them for first refusing arbitration and then setting their scanty time limit of hours in which congress might establish by law their minimum demand of a 25 per cent increase in wages, notoriously misbranded by the president the eight hour day. The nation's chief executive, rejecting all pleas to the contrary, thrust aside the principle of arbitration, thrust aside all questions of right and wrong and yielded to a barefaced holdup in derogation of justice and orderly government. To give his action a shadowy excuse, he demanded one thing while calling it another thing. A stampeded congress carried out his orders in jig time.

Here was a shameless, a destructive surrender to a threat of force made with a deliberate purpose by an organized minority. On the part of the president it was at once a display of timidity and craft. It established a precedent both dangerous and humiliating. Throughout the amazing transaction the larger interests of the great unorganized American public counted for nothing. The facts, known and unknown, were ignored. The president employed an easy method of projecting a present difficulty into the future and of gaining profitable friendships for himself while sowing a crop of dragon's teeth for his country, whose interests he was set to guard. This appalling display of unscrupulousness illuminates like a searchlight the character and the thought processes of the chief magistrate of the nation. The American people should take warning from the painful exposure.

In the opinion of the Daily News the safety of the nation and the integrity of its institutions cannot wisely be intrusted to President Wilson for another term.

The Wilson administration, speaking through Secretary of War Baker, advances the novel theory that the Sons and Daughters of the American Revolution are merely the descendants of thieves and cutthroats whose revolutionary army service was merely a cloak for acts of murder, rape and larceny.

NEW HOME TREATMENT FOR BANISHING HAIRS
(Beauty Topics)
With the aid of a delatone paste, it is an easy matter for any woman to remove every trace of hair or fuzz from face, neck and arms. Enough of the powdered delatone and water is mixed into a thick paste and spread on the hairy surface for about 2 minutes, then rubbed off and the skin washed. This completely removes the hair, but to avoid disappointment, get the delatone in an original package.

A Cost of Living Epic
John R. Croesus owned a clutter of mazuma (slang for dough). And he led the league in grabbing off the dollars long ago. And he speared the shining shekels with an ambidextrous fin. And he hunted down the festive tin tinabulating tin; But his pile is pale and puerile when compared with that of mine. He is just a plea piker and a tin horn and a shine. I am richer now than Croesus ever dreamed that he could be—I've a genuine potato and it all belongs to me!

UGH! ACID STOMACH SOURNESS, HEARTBURN GAS OR INDIGESTION

The Moment "Pape's Diapiesin" reaches the stomach all distress goes.

Do some foods you eat hit back—taste good but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, jot this down: Pape's Diapiesin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapiesin" is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as "Pape's Diapiesin" comes in contact with your stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty-cent case of Pape's Diapiesin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.

MOTHER! YOUR CHILD IS CROSS, FEVERISH, FROM CONSTIPATION

If tongue is coated, breath bad, stomach sour, clean liver and bowels

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little tot is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste.

When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without gripping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages, and for grownups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then see that it is made by the California Fig Syrup Company.

THAT BACKACHE SPELLS DANGER

Action Today May Save Dixon People Future Misery

A bad back isn't a bad thing if it serves as a warning of hidden kidney disorders. Kidney diseases are frightfully common today. We overdo too much. We don't give the kidneys a chance to rest up, and while a bad back, some urinary disorder an occasional dizzy spell or a persistent headache may be the only outward sign, the kidney trouble that is behind it all may be overlooked or neglected. Put your signs to use. Take them as warnings. Fight off kidney weakness. It takes only a slight kidney disorder to start a case of fatal Bright's disease, from which 100,000 people in the United States every year prompt treatment at first—that's all that's necessary to keep kidney weakness from turning into gravel, dropsy, gout heart trouble or Bright's. Use Doan's Kidney Pills—the oldest the most widely used, best recommended Kidney Pill Forty thousand Americans recommend them publicly. Here's one Dixon case:

Mrs. J. Carley, 511 Spruce street Dixon, says: "My back was so sore that I couldn't wait erect and morning it was hard for me to get out of bed. Various medicines didn't benefit me and when a friend recommended Doan's Kidney Pills, I got some at Leake Bros. Co.'s Drug store. After taking two boxes, my back was strengthened and I felt better."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Carley had. Foster-McBurn Co., Props., Buffalo, N. Y.

Christmas will soon be here. Decide now to give your portrait for Christmas gifts. It is the only gift your friends cannot buy for themselves. It exacts nothing in return, yet has a value that can only be estimated in thoughtful kindness.

CARRANCISTAS FLEE CHIHUAHUA CAPITAL

Gen. Trevino's Family and 400
Refugees Reach Border.

El Paso, Tex., Oct. 26.—A refugee train has arrived from Chihuahua City, consisting of three cars packed to the doors, with the platforms and vestibules crowded to the limit. General Jacinto Trevino, the Carrancista commander of Chihuahua City, has warned all his relatives and friends to abandon the stricken capital. More than 400 refugees arrived at Juarez before midnight. Another train of refugees, now on the way, is now due in Juarez. Dispatches from Chihuahua City received in El Paso indicate that Trevino's capital is in dire peril of direct attack since the victory of Francisco Villa over Carranza's commander, General Carlos Ozuna, at Palomas last week.

The admission from Chihuahua City that Ozuna was defeated, while not admitting that Ozuna was killed, was the first admission by the de facto government of anything approaching defeat of the de facto government.

BETTER FEELING AT ATHENS

King of Greece Denies Threat to Break Off With Entente.

Athens, Oct. 26.—The Greek government issued a communication to clear up misunderstandings due to exaggerated reports of King Constantine's interview with the French military attaché Friday. The communication explains that the French government made no demands, but merely submitted a memorandum, and that the king never declared he was prepared to break off relations with the entente.

It is thought that as a result of a conversation between the king and the French minister during which explanations were made, the French marines may be withdrawn shortly from Athens and Piraeus.

U. S. FACES SOARING PRICES

High Cost Seen When Bids for Warships Are Opened.

Washington, Oct. 26.—When bids for four new battleships and twenty destroyers—the largest single order ever placed by the navy—were opened it was disclosed that the government faces the soaring prices of structural materials in perfecting the navy-building program.

Although the department had allowed \$3,000,000 more for each battleship than it did last year, and placed a limit of \$11,500,000 for hull and machinery alone, the bidding ran with a close margin.

Following a policy started two years ago we are still further dividing our land into smaller farms of from 60 to 300 acres each, and renting them on shares. On some we furnish the cows, on others the tenant is expected to buy a half interest in the cows. On all farms nothing but pure bred, registered Holsteins are kept and in all cases the tenant furnishes the horses and farm machinery. These are fertile corn and alfalfa farms, present splendid opportunities for capable dairy farmers who have from \$800 to \$6000 of capital.
